

Note from the Director:

Hello and welcome to Gladstone Parks and Recreation Department.

It is my sincere hope to provide quality parks, facilities, programs and events for all to use and enjoy.

Gladstone's motto "Year round playground" is something we take seriously. With our campground, marina, full service swimming beach and Ski/tubing hill we hold our own with communities with much larger populations. We take pride in our parks, non-motorized walking/biking trail system, athletic fields, ice rink and Skate Park. The neighborhood parks, playgrounds and pocket parks are strategically placed to ensure all residents have the opportunity to enjoy a green place and the sound of children playing close to home.

Along with all these opportunities we are also surrounded by the beauty of natural landscapes and the outstanding waters of little Bay de Noc.

Please take a look around our web site and city. If myself or staff can help in any way just let me know.

So let's—get up—get out—get moving
